The academic calendars of First Year B. Tech. and Direct Second Year B. Tech. as well as the revised academic calendars of Third and Final Year B. Tech. for the academic year 2025-26 were presented in the meeting. *Hon. AC approved these academic calendars.*

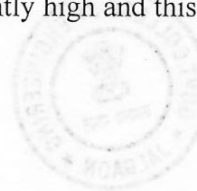

Item No 4

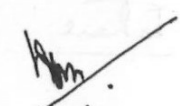

To consider the proposal of Carry-On for promotion of the students of A.Y. 2024-25 to their higher class in A.Y. 2025-26, in view of change in the curriculum and the count of the failed students

Following points were informed regarding the background of the carry-on proposal by Dean (Academics) in the AC meeting:

- i. KBC North Maharashtra University, Jalgaon had issued a circular dt. 31st May, 2025 regarding carry-on for admission to third year Engineering, in view of the revised NEP curriculum. Also, the University had provided the facility of carry-on in the year 2024 for admission to second year Engineering in view of the revised NEP curriculum.
- ii. The count of the failed students in the first, second and third year even after the re-examination (presented herewith) is significantly high and this also includes students from

the earlier curriculum. Several representations of students were received by the institute requesting to provide carry-on for all the failed students, to avoid the loss of one academic year of the students.

- iii. In view of these points, the proposal to provide the facility of carry-on (one-time only in this AY 2025-26) for promotion of all the failed students of A.Y. 2024-25 to their higher class in A.Y. 2025-26, in view of change in the curriculum and the significant count of the failed students, was put forward, discussed and approved in the meeting of Head of the Departments and Deans (held on Tuesday, 9th September, 2025) chaired by Hon. Principal.

Prof. Dr. Vagge suggested that, to reduce the count of the failed students in future, faculty members of all departments need to identify academically weaker students in their respective course after the result of mid-semester examination and provide remedial coaching for these students.

Hon. AC discussed and approved the proposal of Carry-On for promotion of the students of A.Y. 2024-25 to their higher class in A.Y. 2025-26, in view of change in the curriculum and the significant count of the failed students.

Item No 5

To note and approve the lists of B. Tech. graduated students of AY 2024-25.

The lists of students eligible for the award of B. Tech. degree who have completed undergraduate program during the AY 2024-25 were presented in the meeting.

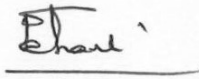

Hon. AC noted and approved the lists of B. Tech. graduated students of the institute for AY 2024-25.
